

# Did you know?

New Projects Australia is a National Property Investment Company.

Owned and managed by Director Craig Whaley New Projects Australia is a market leader with a trusted reputation for client service and sound property advice.

By 2010, New Projects Australia aims to have an office in every capital city in Australia as well as in the larger regional centres.

Nationally we present to over 10,000 people per year via our Wealth Creation Seminars.

Our trained consultants are hand-picked professionals, chosen for their property knowledge, experience and passion for their chosen career.

Together, with our shared knowledge of the Australian property landscape, we work as a team to provide the best options and strategies to the Australian public and assist in building investment portfolios to help achieve financial freedom.

New Projects Australia believe that 50% of the success of property investment is the right property in the right location. The other 50% being an astute awareness of strategy and structures.

When you choose New Projects Australia, you are choosing a team rich in experience and a name you can trust. We guarantee it.

New Projects Australia prides itself in its after-sales services. It is not transaction-based, it is relationship-based.

Please contact any of our consultants throughout Australia to find out how New Projects Australia can help you when it comes to Property Investment.
